Site Preparation

Renter must ensure site is ready, (lawns mowed, furniture moved, vehicles moved, etc...) before the crew is scheduled to arrive. Installation of a tent must be done correctly for the protection of the users, the tent, and the accessories. Renter must ensure that there is a 3 feet clearance all the way around the tent to allow for securing the tent. Tent may be secured by stakes, concrete weights and water barrels. Renter must have a means to supply water to barrels. Renter understands that metal stakes will be driven into lawn, asphalt etc.. Renter understands that if tent is placed on concrete that anchors may be drilled in concrete. Renter is responsible to patch all holes/cracks. If site is not ready or accessible when the crew arrives, the client will incur an additional fee and/ or equipment may not be delivered. Renter is responsible to know where all sprinklers, water lines, gas lines, and all other utilities are located. *Buck's Big Tops* is not responsible for any damages to any sprinklers, water lines, sewer, utilities, landscaping, lawn lights, concrete, asphalt, lawn etc.. Buck's Big Tops recommends Renter to contact Miss Dig at 1-800-647-7344 prior to tent set-up.

Weather

Tents are temporary structures designed to handle most normal weather conditions; however, there may be situations that become unsafe such as high winds or lightning. Evacuation of tents is recommended in these or other unsafe conditions.

Take Down

All Renters personal items must be out of tent on scheduled pickup date. All rented tables and chairs must be clean, secured and stacked inside of tent. Set up usually the day before and take down the day after or arrangements could be made if needed to take down or set up different times. **THERE MAY BE TRAVEL CHARGES.**

Loss Or Damage

Responsibility for tents and accessories remains with the **Renter** from delivery until return. Please be sure equipment is secured when not in use. Renter pays for missing and damaged items. Renter is responsible for all damages to tent equipment due to negligence, vandalism and theft. Side Curtain walls must be kept up hanging on tent. No silly string, confetti, crate paper etc to be used inside or near the tent, as the die will permanently discolor the tent vinyl/canvas. No thumb tacks, staples or nails etc., should be used on tables.

Buck's Big Tops will not be liable for any damages or injury at event. It is also understood that by the nature of tents there may be some leakage during rains.
